

If you want to take a look at our latest product, Anatomy 3D Atlas 2.15, you can download it here! This is a serial number for a human anatomy atlas. It includes 3D models of the major bones and joints in the body as well as connecting tissues like nerves, blood vessels, and muscles. The app also includes animations that show how each system works with an emphasis on the following topics: -skeletal system -muscular system -cardiovascular system (heart) -lymphatic system (lymph nodes) -respiratory (nose/mouth/lungs) systems. If you have already purchased the product, you can update it to a new version by going to the "My Products" section on the app store. The process is different depending on whether you purchased the upgrade from iTunes or from our website, but it's pretty easy to figure out. It's been a year since we've released Anatomy 3D Atlas 1. If you bought this app, or know someone who did, get in touch with us so we can get you an updated version of the product! -Michael Norton (Evrin Bali)
